Dear Paul:

As I related in my telephone conversation in November, Bob Cochran moved from Vermont several years ago. The only knowledge of molestation is from a statement made by a Rutland police officer who was investigating another molestation case and the suspect said he had been molested as a youngster by Robert Cochran.

There have been no charges. Cochran was no longer registered nor lived in Vermont--no clippings, court records or statements.

I am sorry I can't help you, but I have nothing to give you.

Sincerely,

Robert J. Kuntera

SUBJECT: Robert Cochran

Dear Bob:

A telephone conversation with your office in November indicated that Mr. Cochran had been involved in molestation of youth in previous years. We really need some help and guidance in the way of newspaper clippings, court records, or statements from individuals to substantiate this.

I am enclosing another Confidential Record Sheet which I would like to have completed so that we may identify Mr. Cochran should he attempt registration in some other location.

We really need this material if we are to do the job of refusing registration and protecting the youth of America.

Sincerely,

Paul Ernst, Director
Registration Service

PERSONAL & CONFIDENTIAL

SUBJECT: Robert Cochran

Dear Bob:

You called our office in November related to this individual. You indicated that Michael Phelps had been molested as a youth by Robert Cochran. Do you have any other information which you can give us or any statements which would help to substantiate this charge? These items are necessary if we are to place Mr. Cochran on our file and refuse registration in any other location.

I am enclosing a Confidential Record Sheet which I would like to have completed if you have the necessary information. If you can give me substantiation of the charge by documented statement or a tape with [redacted] statement on it, we would then be able to secure the Confidential Record Sheet from the council in Arizona if you do not have all the pertinent information at this time.

We also have a question and wonder if this man ever goes by the name of Will Cochran. This was another individual whom we have had information about at an earlier time.

Let me know if I may be of help to you.

Sincerely,
